

NEW PRODUCT ANNOUNCEMENT

BDM is very proud to announce that our Glass Bead Sterilizer is once again available through BDM. This unit has been completely revised and is CSA Approved, Ready for delivery March 22nd, 2008

BDM Glass Bead Sterilizer

BDM Glass Bead Sterilizers are a quick, easy method of sterilization. Once switched 'ON', the units are ready to use within 30 Minutes.

Various Models of GLASS BEAD STERILIZERS have been introduced and are being used in the Medical, Dental, Laboratory and Podiatric professionals for the past 10 years.

Our GLASS BEAD STERILIZERS are incorporated with an imported thermostat, which maintains the set temperature with an accuracy of $\pm 1\%$ of the preset range. These units, having a stainless steel body, are compact enough to be placed on any Laminar Air Flow Work benches or any other work-side tables in a clean room atmosphere.

Now Available in Different Colours! Please specify with your order if you would prefer, **Green, Blue, Red, Black, Yellow** or White (not shown)
