

Introducing our new... **Buffalo Model Arch Trimmer**

Premium Trimmer Provides High-Torque Cutting Power and Improved Dust Control for the Most Demanding Model Arch Dry Trimming Applications!

- **Fast and Easy Trimming**

High-torque, 5400 rpm, 1/8 HP heavy-duty motor promotes quiet, effortless cutting.

- **Improved Dust Control**

Enlarged 7" x 7" work table with built-in dust control ducting and 1" OD exhaust port on back maintain quiet and effective dust control.

- **Rapid Tool Changes**

Quick-release work table and 1/4" collet allow convenient and fast changing of 1" maximum OD cutting tools

- **Improved Safety**

Strong 4" x 6" clear polycarbonate safety shield helps protect the operator from debris, and the interlocking on-off switch automatically resets to off in case of power interruption

- **Buffalo Tough Cutting Instruments**

System ships complete with a fast cutting Buffalo Tough 1/2" diameter diamond-cut tungsten carbide bur and a 3/4" coarse-grit arbor band set

- **Compact Size**

8 in. (20.4 cm) Width x 10 in. (25.4 cm) Depth x 8-1/8 in. (20.6 cm) Height x 14 lb. (6.4 kg) Weight
